This will replace all versions from 1.5 to and including 2.0. Here's what's new: Better visual presentation Simplified controls More options Faster and more responsive Many new options and help pages to help you get used to the program. We have tested this version for a while now and it is ready to be installed. There will be some minor bugs to iron out, but it is a very stable version. Enjoy! Wed, 11 Nov 2005 20:57:06 GMT60Player managers I've been working on a new version of the Player Manager. This version will let you manage players you get in the game via the internet or player trading. I'm trying to have a tight list of players you can use and complete the seasons as fast as possible. I don't have a release date yet. You can download it now but you might find it buggy.
